SECTION A — GENERAL INFORMATION

1. INTRODUCTION

Barloworld Equipment invites applicable and relevant Service Providers to present their proposals and rates for evaluation in order to be considered for the provision of the BWE Lesotho E-Invoicing Compliance Gateway Solution (Lekuka Integration).

1.1 RFQ Timelines

- **Closed RFQ** - only selected Service Providers who have received an authorised electronic and direct invitation from BWE may respond.
- **No late submissions** will be accepted. Service Providers may not make changes to their proposals after submission, as that will automatically disqualify them from further participation.
- **Clarification Questions**, the deadline for all clarification questions is 3rd July. Further questions post this date will not be attended to. BWE will endeavour to respond to all questions within twenty-four (24) hours after the stipulated deadline for clarifications. All clarification questions should be addressed to Lesego.Leboho@barloworld-equipment.com.
- **Submissions**, your electronic response must be provided in a zipped format and submitted to BWETenders@bw-eq.com and copy Lesego.Leboho@barloworld-equipment.com and Thulani.Mabunda@barloworld-equipment.com.
- **Validity Period** – proposals must be valid for a period of 190 (one hundred and ninety) business days from the tender closing date and shall not be amended during this period

1.2 Instructions to Service Providers

Please read this section carefully before completing the RFQ. Failure to complete it properly and to submit all mandatory documents shall result in respondent/s being disqualified from the RFQ.

- The Request for Proposal Number RFQ/BWE/0626/ICTAIS/Smart Invoicing - Lesotho/97 must appear on all Tender documents and all other written communication.
- All Sections must be accurately and concisely completed as per the instructions.
- Quality of the submission and submitting correct documents is the responsibility of the Service Provider
- The Service Provider shall check the page numbers and all parts of this RFQ document before submission for his/her tender. Should any page or part be found to be missing or figures or writing be indistinct or any obscurity or doubt arise as to the meaning of any description or particulars of any item or if this document contains any discrepancies or obvious errors, then the Service Provider shall immediately inform the Procurement Department in writing and have the problem rectified or explained as the case may be. No claims whatsoever shall be considered for faults in the Tender price resulting from the above-mentioned discrepancies.

- The terms and acronyms 'The Customer', 'The Employer' and 'BWE' refers to Barloworld Equipment.
- The prices provided will be viewed by BWE as final in addressing all the requirements of this RFQ. No additional or 'hidden' costs will be accepted, unless they have been mentioned in the RFQ in which case they will be dealt with separately. Where there is a dependency on external parties or BWE for anything e.g. network capacity, computing infrastructure, resourcing allocation, etc. this must be clearly stated.
- All assumptions and exclusions must be clearly stated.
- All prices should be in South African ZAR currency. If the ZAR price will be affected by a foreign currency, the currency and Rate of Exchange (ROE) terms must clearly be stipulated on the Technical Requirements. Service Providers are requested to indicate the validity of the quoted price in the submission (i.e. how long your price is valid for). The submission of a Tender will be considered evidence that you are aware of all conditions, which may affect the work and the proposal, whether or not such conditions are referred to in the Tender.
- BWE reserves the right to validate the accuracy of information presented. Due diligence will be conducted at the discretion of Barloworld before a company is accepted and appointed.
- Failure to submit any/all mandatory documents will result in disqualification from the RFQ process.
- The term “Mandatory Documents” included in this RFQ refers to compulsory documents that must be submitted by the Service Provider. Should the Service Provider not submit such Mandatory Documents with the RFQ response, the Service Provider’s RFQ document will be disqualified. The Mandatory Documents serve as the first pass qualifying criteria.
- The detailed Statement of Work and Technical Requirements are described in Annexures A and B respectively. The Service Provider must go through all the requirements and propose the pricing as per Annexure D, which considers all the technical requirements of BWE.
- BWE will not take any responsibility for any assumptions made by the Service Provider. The Service Provider is responsible for the accuracy of the RFQ response/ bid. It is also the responsibility of the Service Provider to ensure successful implementation of the proposed solution. BWE is not liable for any errors or assumptions made by the Service Provider.

2. MANDATORY SUPPORTING DOCUMENTS

Failure to submit mandatory documents shall result in disqualification.

2.1	Official Company Letterhead
2.2	Company Registration (For Company): • Certificate of Incorporation of a Company • Certificate of change of name of Company (If applicable)
2.3	Copy of identification and certificates of the Shareholders as listed in company registration
2.4	A copy of the latest letter of Good Standing from the Compensation Commissioner or an equivalent document for regional or overseas based companies.
2.5	A valid Tax Clearance Certificate

2.6	A valid BB-BEE Certificate (If not BEE compliant/with an Expired BEE certificate, please indicate measures in place to close the gap)
2.7	Use the supplier portal link below to register as a prospective Service Provider https://bwesp.barloworld-equipment.com

3. ADDITIONAL CREDENTIALS

In considering the proposals received, BWE may in its sole discretion require the Service Provider to submit additional details of its organisation, capacity, capability, business references, experience, etc. Failure to comply with such request may result in the proposal being rejected.

4. SUFFICIENCY OF TENDER

In pricing this document, it is the sole responsibility of the bidder to ensure the sufficiency of his tender. Provision should be made for everything necessary for the successful performance in terms of this contract. The items in this document are to include the entire scope and extent of the contract.

5. ACQUAINTANCE WITH TENDER DOCUMENT

By submission of a Proposal the Service Provider will be deemed to have acquainted himself/herself fully with the RFQ documents, local authority requirements and by-laws, and all aspects of the work envisaged in the documents prior to pricing and submission of his/her proposal.

6. STATUTORY AND REGULATORY BODIES

The successful Service Provider will be required to comply with the requirements of all statutory and regulatory bodies and authorities where applicable.

7. EVALUATION PROCESS

A panel of BWE representatives with subject matter knowledge will evaluate the responses to this RFQ.

8. EVALUATION CRITERIA

Please be advised that your response will be evaluated based on the following key criteria (not necessarily listed in order of importance):

- Compliance with RSL requirements
- Integration simplicity and speed
- Cost model
- Service Provider experience and local support capability
- Scalability across multiple BWE regions

9. TERMS AND CONDITIONS

- 9.1** BWE requires that all information within this RFQ be handled with strict confidence. All information is confidential and cannot be disclosed to anyone outside the Service Provider's organisation without the written consent of BWE. All information submitted by the Service Provider will be treated with strict confidentiality.

- 9.2** While pricing is an important element in the selection process, it is to be clearly understood that there are other evaluation criteria in the RFQ that BWE will consider in evaluating proposals.
- 9.3** BWE assumes no responsibility for any costs associated with your response to this RFQ.
- 9.4** BWE is not under any obligation to consider any unauthorised responses.
- 9.5** Receiving or submitting this RFQ does not constitute a commitment by BWE or any of its shareholders or affiliates to conduct any form of business with any Service Providers.
- 9.6** It is the responsibility of the Service Provider to understand the requirements and stipulations of this RFQ and to assess whether their organisation is capable of providing the requested products and / or services.
- 9.7** It is the responsibility of the Service Provider to request additional or updated information that may be necessary for providing a comprehensive response.
- 9.8** No party involved in the management and/or adjudication of the RFQ is obliged to correct inaccurate information, provide respondents with additional information or notify respondents of updated information.
- 9.9** BWE owns the RFQ process and reserves the right to adjust, modify, amend and / or terminate part or all of the RFQ and/or any process that forms part of the RFQ without notifying any party, at any time and without providing any reason whilst maintaining a fair process to all participating Service Providers.
- 9.10** BWE will not be liable for any costs, damages and/or any other consequences that may be caused because of any of the adjustments, modifications, withdrawals, terminations or any other action relating to this RFQ including, but not limited, to BWE staff or BWE partners, advisors or affiliates staff not providing any relevant information.
- 9.11** BWE will not be responsible for physical damages, financial damages of any kind, injuries or costs incurred by the bidding companies or staff of the respective Service Providers or their partners while responding to this RFQ.
- 9.12** Service Providers shall prepare and submit the Tender document at their own expense including expenses incurred for site inspections to various locations.
- 9.13** Any and all parties who respond and whom potentially are selected by BWE to provide services described under this RFQ are by default expected to:
- a) Perform adequate and authorised analysis, investigations, enquiries and any other authorised actions that will enable the Service Provider to understand all the requirements.
 - b) Service Providers are expected to be qualified and capable of satisfying the requirements of BWE whether stated on this RFQ or not.
- 9.14** BWE or its shareholders, employees, directors, associates, affiliates, advisors, agents, partners, affiliates or advisors do not guarantee the sufficiency and accuracy of information as contained in any section of the RFQ.

- 9.15** No estimates or figures of any kind (financial or otherwise) that are provided within any part of this RFQ represent any commitment of any kind on behalf of BWE or its affiliates to procure products or services based on the estimates.
- 9.16** Quantities of users or any other information (current, estimated or forecasted) must not be viewed by the Service Provider as an absolute. BWE will not be liable or held accountable for inaccurate or missing data.
- 9.17** All staff of BWE, its affiliates, suppliers and advisors may not reveal details of any kind regarding the evaluation or adjudication of the RFQ unless authorised to do so.
- 9.18** BWE reserves the right to select any Service Provider it sees fit without indicating the reasons for selecting the Service Provider.
- 9.19** BWE reserves the right not to provide reasons for not selecting a Service Provider.
- 9.20** BWE reserves the right not to award a contract following the conclusion of the RFQ process.
- 9.21** BWE will not remunerate any Service Provider for resources used during the preparation and participation of this bidding process, including but limited to transport costs, salaries, PPE costs, etc.
- 9.22** Invitation to respond to the RFQ does not constitute an obligation or commitment on the part of BWE to make any decision or conduct any kind of business or communication whatsoever with the responding Service Providers.
- 9.23** BWE may terminate the RFQ process at any time without the obligation to provide reasons for doing so.
- 9.24** External parties may be selected at any time to assess Service Providers' bids.
- 9.25** BWE reserves the right to award the contract in parts to different Service Providers or to more than one Service Provider as BWE deems fit to award.

ANNEXURE A: STATEMENT OF WORK

Lesotho E-Invoicing Compliance Gateway Solution (Lekuka Integration)

A1. Background

Barloworld Equipment (BWE) is required to comply with the **Revenue Services Lesotho (RSL) e-Invoicing system (Lekuka)**.

To meet this requirement, BWE intends to procure a **Compliance Gateway (Electronic Billing System – EBS)** that will serve as an **integration layer between BWE's systems (SAP ERP and CRM)** and the RSL Lekuka platform.

A2. Objective

The objective of this engagement is to **design, supply, implement, and support a Compliance Gateway solution** that:

- Enables **real-time submission of e-invoice data** to RSL Lekuka
- Receives and returns **tax compliance information (QR codes, verification data, signatures)**
- Ensures full compliance with **RSL e-invoicing regulations**

A3. Scope of Work

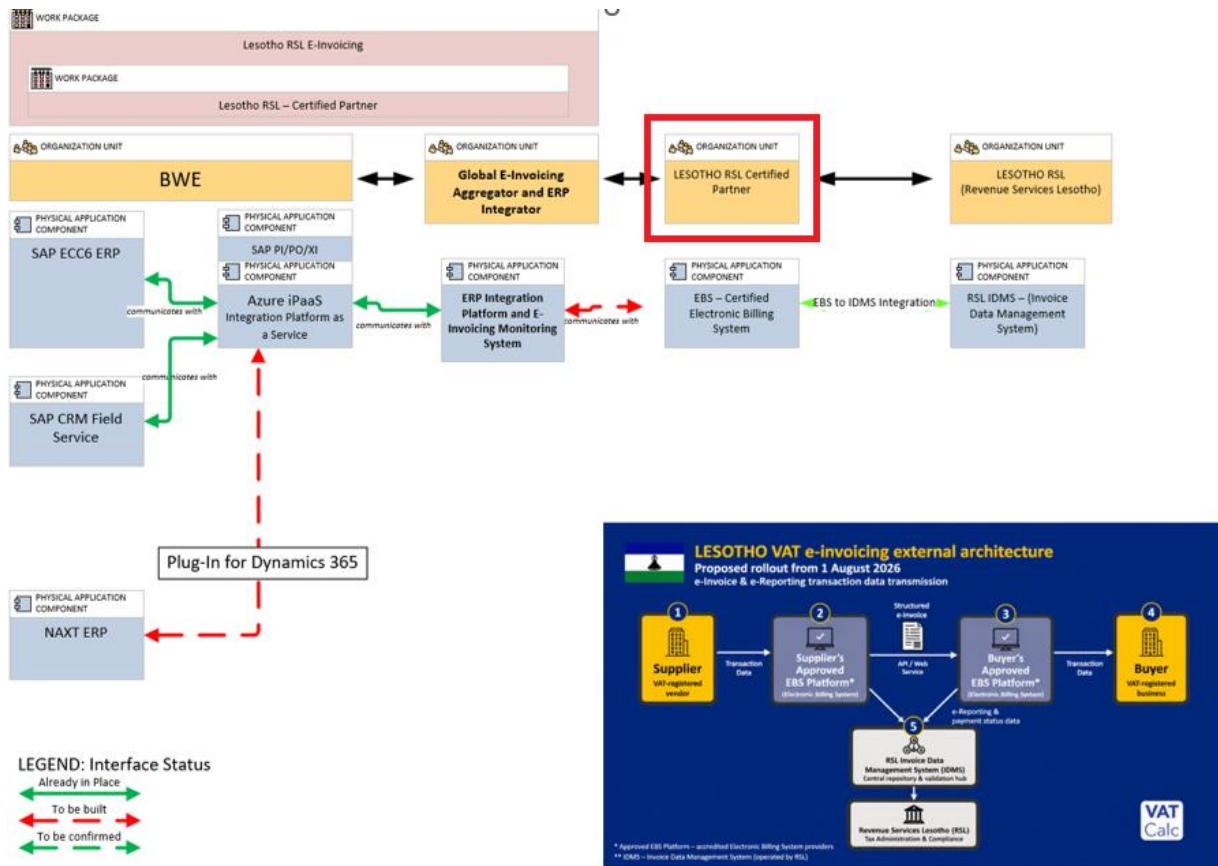

The selected Service Provider will be responsible for:

3.1. Solution Provision

- Provide an **RSL-certified Electronic Billing System (EBS) / Compliance Gateway**
- Ensure the solution is compliant with **Lekuka platform requirements**

3.2. Integration

- Integrate BWE systems (SAP ERP, CRM and/or other invoicing platforms) with the gateway
- Provide **API-based integration (REST or equivalent)**
- Support integration across:
 - Invoices
 - Receipts
 - Credit Notes
 - Debit Notes
 - Payouts
- Below is the architecture diagram and the local supplier positioning is circled in red.

3.3. Compliance Processing

- Submit transactions to Lekuka in real-time or near real-time
- Retrieve and return:
 - QR Code data
 - Verification codes
 - Device identifiers
 - Tax and fiscal information

3.4. Device & Registration Support

- Support BWE in:
 - RSL device registration
 - Device ID configuration
 - Tax configuration aligned to Lesotho requirements

3.5. Monitoring & Reporting

- Provide:
 - Transaction status dashboard (accepted / rejected / pending)
 - Audit trail of all submissions
 - Daily transaction/reconciliation reports

3.6. Offline & Resilience Handling

- Provide capability to:
 - Queue transactions when RSL is unavailable
 - Automatically resubmit when connectivity is restored

3.7. Implementation & Testing

- Provide:
 - Sandbox/test environment
 - End-to-end integration testing support
 - Go-live support

3.8. Support & Maintenance

- Provide **managed service support**, including:
 - Issue resolution
 - Regulatory updates
 - System uptime monitoring

A4. Deliverables

The Service Provider must provide the following:

- Configured **Compliance Gateway solution**
- API documentation and integration specifications
- BWE onboarding and configuration setup
- Test evidence (sandbox validation)
- Production deployment and go-live support
- Operational support model and SLA
- User training documentation

A5. Key Requirements

The solution must:

- Be **RSL-accredited / certified for Lekuka compliance**
- Be **ERP-agnostic** and integrate with SAP and CRM systems
- Support **secure API-based communication**
- Ensure **high availability and reliability**
- Maintain full **audit and traceability of transactions**

A6. Service Provider Response Requirements

Service Providers must include:

- Proof of **RSL accreditation / certification**
- Solution architecture overview
- Integration approach
- Implementation timeline
- Support model and SLA
- Pricing – Complete in Annexure D – Pricing Requirements

A7. Evaluation Criteria

Proposals will be evaluated based on:

- Compliance with RSL requirements
- Integration simplicity and speed
- Cost model
- Service Provider experience and local support capability

- Scalability across multiple BWE regions

ANNEXURE B:

See Separate document -  01 E-Invoicing Gateway API specification v1.11

ANNEXURE C:

See Separate document – Annexure C: Intent to Respond

ANNEXURE D: PRICING REQUIREMENTS

Your proposal must be accompanied by a detailed pricing model outlining the fees Barloworld Equipment will be charged for the services you are offering. Kindly ensure that pricing schedule indicates

- Implementation costs
- Annual license / subscription fees
- Transaction-based pricing (if applicable)
- Assumptions based on estimated volumes:
 - Approximate starting volume: ~400 invoices/month (subject to confirmation)

PLEASE ENSURE THAT THIS PRICING MODEL IS SUBMITTED AS A SEPARATE DOCUMENT AND IS LABELLED “ANNEXURE D: PRICING REQUIREMENTS”

ANNEXURE E: FRAMEWORK AGREEMENT (attached)

DEVIATIONS (see below)

Note: The IT Service Agreement forms part of the RFQ process. All attached documents, including the Framework Agreement must be signed and returned. Should the Service Provider require changes to the Framework Agreement, they are then required to indicate the relevant clauses and proposed changes which will then be reviewed by BWE as part of the RFQ process.

No	Clause number	Title of clause	Variation and reasons
